G.A.P.S. (GERRISH ALTERNATIVE POLICING STRATEGIES)

In an effort to continue to improve the delivery of Police services to our citizens and in the form of the true Community Policing philosophy, Gerrish Township was divided into three areas. Each of the areas is of a different size, but the population in each is very close.

The reason for this division was to give our Officers an area that each was responsible for. Over the years and with the retention of Officers, we have changed our philosophy so that any Officer can assist in solving nonemergency problems in each GAP area. The GAPs are also a great way in our records management system to track complaints and calls for service to each of the three areas.

All Officers can assist our citizens in starting up Neighborhood Watch Groups. They are available to assist our citizens in a variety of quality of life issues such as:

Junk and Garbage Ordinance Violations

Junk Vehicle Complaints

Persistent Barking Dogs

Specific Neighbor or Neighborhood Problems

Suspicious Persons or Situations

They will also assist in any other area where the citizen may be experiencing difficulty and would like some help in either problem solving or just to be pointed in the right direction. It is important to remember that the problem does not have to be of a criminal nature for one of our Officers to lend a hand.

It is easy, just call us at 989-821-5207 or stop by during the day during Administrative hours from 7:00 a.m. to 4:00 p.m. If you call and we do not answer, please leave a message and we will return your call as soon as possible.

A VACANT HOUSE IS AN APPEALING TARGET TO A BURGLAR.
WHETHER YOU ARE OUT FOR THE DAY, WEEKEND OR FOR AN EXTENDED
VACATION YOU CAN ALLEVIATE WORRIES IF YOU TAKE A FEW SIMPLE
STEPS TO REDUCE THE POSSIBILITY THAT YOUR HOME WILL BE
BURGLARIZED OR VANDALIZED WHILE YOU ARE GONE.

At least one day before you leave...

1. Arrange with a neighbor to pick up and hold your mail and newspapers so that they don't pile up or notify you post office to hold your deliveries.
2. Make arrangements to have grass cut and watered while you are gone or to have your snow removed.
3. If you have valuables in the house, take them to your bank for storage in a safety deposit box. Deposit any extra cash in your bank account.

5. Make sure any broken windows, door locks or window locks are repaired.
6. Arrange with a neighbor or relative to watch your house and give them a key. Let them know where and how you can be reached in an emergency. Write their telephone numbers down so you can check with them during your trip. Give them your car description and license number.

GOOD SECURITY HABITS

HOUSE NUMBERS:

HOUSE NUMBERS SHOULD BE VISIBLE DAY AND NIGHT FROM THE STREET. IN RURAL AREAS NAME AND HOUSE NUMBER SHOULD BE DISPLAYED ON THE MAIL BOX. THIS IS IMPORTANT FOR POLICE AND FIRE/EMS WHEN RESPONDING TO A COMPLAINT OR A CALL. (SEE HOUSE NUMBER ORDINANCE)

SHRUBBERY: IS THERE A CLEAR VIEW OF THE DOOR? OR IS IT HIDDEN BY SHRUBS? IF SO, THIN THE GROWTH SO THAT WOULD-BE BURGLARS ARE DENIED THE OPPORTUNITY TO WORK UNDETECTED.

RE-KEY LOCKS: THIS SHOULD BE DONE WHEN MOVING INTO AN APARTMENT OR WITH SECOND OWNERSHIP OF HOMES.

USE THE LOCKS: AN UNLOCKED LOCK IS NOT A LOCK!!

HABITUALLY LOCKING YOUR HOME, CLOSING AND LOCKING GARAGE DOORS WHEN AWAY OR AT NIGHT IS SOMETHING TO BE EMPHASIZED WITH ALL RESIDENTS.

HIDING KEYS: AN EXTRA KEY HIDDEN IN A "SECRET" LOCATION SHOULD ALWAYS BE AVOIDED. A BURGLAR KNOWS ALL THE "HIDING SPOTS" AND WILL SEARCH OUT THESE AREAS FOR SPARE KEYS.

DETER AND DENY THE OPPORTUNITY OF BECOMING A THEFT VICTIM...REMEMBER CRIME PREVENTION BEGINS AT HOME.

VEHICLE IDENTIFICATION

DESCRIBING A VEHICLE

When describing a vehicle, attempt to supply as much information as possible that would allow the officers to distinguish this vehicle from many others.

Start description from the top of list below:

- 1) LICENSE NUMBERS-most important.
- 2) Color(s)-two-tone, three-tone, etc.
- 3) Body Style-2-door, 4-door, pick up, etc.
- 4) Make-Chevrolet, Ford, Oldsmobile, Plymouth.
- 5) Year-(if not known) new or old.
- 6) Any outstanding features-damage, rust, clean, dirty, CB antenna, etc.

KEEP BURGLARS AWAY

CLEAN UP:

CLEAN UP YOUR YARD AREA. NEVER LEAVE SMALL PORTABLE ITEMS (LAWN CHAIRS, BIKES, ETC.) LAYING AROUND WHERE THEY MAY BE EASILY STOLEN. KEEP THEM IN THE GARAGE OR SHED WITH THE DOOR CLOSED AND LOCKED.

ROUTINE: ALTER YOUR DAILY ROUTINE OCCASIONALLY, TO CONFUSE ANY WOULD-BE BURGLAR WHO MAY BE WATCHING YOUR HOUSE.

LIGHTING: TURNING INTERIOR LIGHTS ON WITH A TIMER IS INEXPENSIVE AND IS RECOMMENDED. A RADIO OR TV LEFT PLAYING DURING THE DAY WHEN AWAY WILL ALSO CONFUSE AND DETER A BURGLAR. EXTERNAL LIGHTING IS ALSO IMPORTANT, BUT EXCLUSIVE USE OF OUTSIDE LIGHTING WHEN THE HOME IS UNOCCUPIED MAY ACTUALLY TIP OFF THE BURGLAR. REPORT ANY BROKEN STREET LIGHTS IN YOUR NEIGHBORHOOD.

ADMITTING STRANGERS: ALWAYS BE CAREFUL ABOUT ADMITTING STRANGERS. IDENTIFICATION OF SALESPERSONS, PUBLIC UTILITIES PERSONNEL, REPAIR PERSONS AND STRANDED STRANGERS SHOULD ALWAYS BE REQUIRED BEFORE OPENING THE DOOR. CHECK TO SEE WHO THE PERSON IS BEFORE OPENING DOOR BY LOOKING THROUGH A WINDOW OR DOOR VIEWER. NEVER PARTIALLY OPEN THE DOOR, EVEN IF A DOOR CHAIN IS ATTACHED.

HELP CATCH A CRIMINAL!

No criminal wants to be CAUGHT. But if you SEE or HEAR someone breaking the law, try to REMEMBER what they look like and quickly REPORT them to the police.

The most valuable aid you can give a police officer about a crime is help in the identification of suspects. This and the facts you observe about the crime itself are the two main points on which an officer bases their investigation. These two items can, in many cases, be far more important than the findings made through scientific investigation at the scene such as fingerprints, foot casts, etc. Many times such evidence is non-existent.

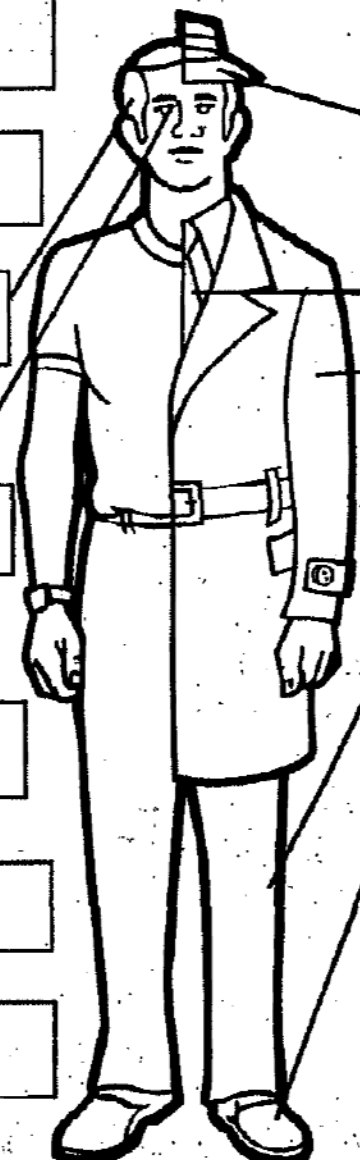

FILL IN ALL THE BLANKS and give to the first police officer on the scene.
